duty to the nimest. Mean of the Opposition of Kentucky! you see with what implicitness wa trust your skill, energy, and selling the officials have but little thought centre and while officials have but little thought centre and while officials have but little thought centre and while officials have but little thought complete to the means of holding their places, one who want office have no care except to gain. Them seriosiple and duty are forgetten in the reaction of the inament o

imilar dark suggestions of something yet more ville schind, it may form some distant and dim conception of the Pennsylvanian until ancesseded by N₃ m that day.

Spirer of the Pennsylvanian until ancesseded by N₃ m that day.

Spirer of the Washington correspondent of the New York Herald writers, as it also should, that this, in its whole extent of shame and isfamy, in only a solitary instance of the Administration's gwilt, but a single count in the Pennsylvanian until anceseded by N₃ m that day.

Spirer of the Washington Creation that day.

Pending the recent election in Virginia, wa The National Intelligencer river and administed the present election in Virginia, was a distributed to the office of Govereor, John Letcher, was claimed by the Abolitionists as h "brether," though an "wring" one, on account of his recentation of his support of the Raffeer Pamphlet. The National his standard his support of the Raffeer Pamphlet. The National his standard his support of the Raffe and painted the 'moral effect' of Letcher's election.
Will our Southern brethren read it carefully and tall no what they think of it?

Joyn 1997 Tom the Intelligence result in the Old Dominion:

Fatering agon the recent preatign of that invincibility a

be admitted to their councils and all the guardi nabip of their laterests. We therefore copy what the Post says, under the same date:

From the N. Y. Evening Post, May 50, 1850]
Hells un with joy to report the election of a Democra-free golder to the impairant iffice of fewering of v late. It justifies the policy we have statained in return Joint he Aboltship sets in unralled the institutions of

Letcher es a brother "Abolitionist," and abundantly We have heard of this dodge before. It is a favorite one with the Democratic writers and speak or in the canwars. Even Mr. Magodia himself we believe does not think it beneath the digally at the presence of Mr. Letcher, and says he cherishes his earlier of Mr. Letcher, and says he cherishes his earlier ready to supply them. All the above books are of Mr. Letcher, and says he cherishes his earlier ready to supply them. All the above books or of Mr. Letcher, and says he cherishes his earlier ready to supply them. All the above books or outside for Sabbath School Libraries, and can be requirements of fair delists to employ it occasionally. It is high time it were defaulted exposed.

The delication to response them to the fair delists to employ it occasionally. It is high time it were defaulted exposed. rejoices over his election, while the Democratic is the design of the past of t perficte of ground to stand on.

believe one of two things—either the Liberator and illustrated and contains alx distinct atories, a life, it this matter deals exclusively with locally of the liberator and illustrated and contains alx distinct atories, a locally of the liberator and illustrated and contains alx distinct atories, a locally of the liberator and illustrated and contains alx distinct atories, a locally of the liberator and illustrated and contains alx distinct atories, a locally of the liberator and illustrated and contains alx distinct atories, a locally of the liberator and illustrated and contains alx distinct atories, a locally of the liberator and illustrated and contains alx distinct atories, a locally of the liberator and illustrated and contains alx distinct atories, a locally of the liberator and liberator an the facta of the case. He does not touch the ques-tion of motiva. He abelians purposely from Im peaching the President's Integrity. He presents to think that the South is yielding before the aboli-

thirdly, that the agency for the purchase of anthra-cite canl for the Navy has been long continued in the hands of a man notoriously incapable and in-who does not see that this nonstaral alliance beefficient: and, fourthly, that the Administration has tween Southern Locofocoiem, New Fagland Abolieystematically appointed men to office as a reward tionism, and Northern Black Republicanism is but for partiann services.

For the correctness of this enumeration we appeal coofdently to all who have heard Mr. Bell on the sump in the pending canvass. It is certainly formidable enough.

Now what does the majority report any on each of these heads? We entreat the public to mark it. of these heads? We extreat the public to mark it. doctrine of pon-intervention, nuless he was backed (1) the first head, the conclusion of the mejority ap by some hope of aid from abroad or was preparaport is expressed in e resolution of which the foliag for a new combination of political elaments to

owage in a portion:

Rew cod. That the testimony taken in this investigation proves the existence of glaring abases in the livestyn Navy Yard and such as require the interposition of legislative reform.

In the body of the report the majority say on this came head.

**The Cincinnati Observer and Lancet, edited by take the place of the exploded Democratic party. While the conviction is forced upon the North that the South is giving way on the question of protection to advery, the South is trained to believe the course of its course for one the meeting, speaks as follows of our city and citizant:

**As for the recial entertainments of the profession and citizant in the course of Louisville, what itself we say: Commencing or Louisville, which is the converted to the live that the South is giving way on the South is trained to believe the South is giving way on the say: Commencing the South is giving way on the say: Commencing the South is giving way on the South is giving way on the South is specified to believe the South is giving way on the South is giving associations who overron every new Territory even From whatever causes it has aprung your com-tatte are satisfied from the testimeny that great beans have been, and are, practiced in the vard. as expressed in one of the resolutions with which the sport concludes that me to the conclusion that it was his dity to the Arago, off Cape Race, but the details are quite very concludes as follows:

We solved, That it is disclosed by the testimony in Barkan OFF ASSOCIATIONS, BITT IN MIND WAS MADE. Londontly to rise.

position. It takes for granted the unsleeping and unflinching devotion of our friends. It rests only a ification. Offices, indeed, come to be viewed sorts ally as positions of trust, created not main inset factures their daties are essential to the pushes good. They come to be regarded as places of solutions and inflamed with the lofty ardor which anisometry whose ralaries are essential to party and their leader in the field. I implies that each iadividual Whig and American is the State has

done, is doing, and will continue to do his whole

If we have correctly described the tendency of ingrest the present day, it will not be regarded to surprise with the surprise that this estim prevails strongly in the agreement, any at the Providence Journal, entering the agreement, and the surprise which the surprise that this estim prevails strongly in the agreement, and the surprise which are the surprise when the surprise which are of searchy or of another energies; and offer the principles of political economy are overthand that the energy was forced to change position that the energy was forced to change position the agreement and howitzers, opened fire about 4 o'clock. The surprise was no great and the result is of surprise was no great and the result is of the agreement and howitzers, opened fire about 4 o'clock. The surprise was no great and the result is of surprise was no great and the result is of the agreement and howitzers, opened fire about 4 o'clock.

two old merchants, Joseph Fowler and Ramaey Creeks.

The Administration of guilt, but a single count to the genet political indexment found by the Opposition of the South, it may, from the weight of an and dishnow lashed on the teck of the Pencescy, estimpts the velocity with which the purity is at this moment sinking in the depth of the purity is at this moment sinking in the depth of the purity is at this moment sinking in the depth of the popular corn.

The Alessaco paper is Mississippi says that those gentlemen had declined and could not, from the end of the South of the solution of the schooler Virginia Antonelle, at New Orleans, to carry arms and ammunition, and about 4d to 50 reactionists, on the 10th 50 reactionists, on the

and painted the 'moral effect' of Letcher's election.

Will our Southern brethren read it carefully and tall no what they think of it?

1 From the Boston Liberator, May 2a, 1892 1

1 Aboltson l'istory in the South.—The telegraph informs not the election of a vegitian Abstronist to the office of the first of the election of a vegitian Abstronist to the office of the first of the election of a vegitian Abstronist to the office of the first of the election of a vegitian Abstronist to the office of the first was have abundant cause to rejucte that eleverance of a recent success beyond all precedent, the first was have abundant cause to rejucte that eleverance of a recent success beyond all precedent, the first was have abundant cause to rejucte that the first of the early, and level, and was the people to liabled with this principles of the early, and level, and are the proposition of the result of the state among and the first was allow marked and the state of the state and was the cry in western Virginia of allowing the position of Mr. Letcher, and tries to make capital of his election to aid the cause of ultraism in the North. We will meet this by quoting from a Lemocratic Free Soil paper of acknowledged respectability and extended inflaence—the Naw York Evening Post. The Post claims to still belong to the Democracy and is now engaged in efforts to harmonize the flard and Soft quarrel massing its brethren, and volunteers its edvice to the contending factione as if it had all tha right to be admitted to their conneils and all the granding.

This is a very interesting little book from the pen of the Ray. Dr. Newton, of Philadelphia, an Episco pal minister, who understands what to write for children and youth as well as how and what to preach for those further advanced in life. It cannot fail to make a decided Impression on children, may be found at A. Davidson's, on Third street. UNCLE JACK, THE FAULT-KILLER. 8 mo. pp., 143.

the facts of the case.

It is abstance perceiving the President's Integrity. He present to think that the South is yielding before the abolition tide and that free soil will find advocates, aid, and comfort in the slaveholding States. Let us then against the Administration. He doesn't travel because wherein do the Democratic nominees for Governous distinctions. He plants himself fearleasily on the Democratic record. He does this as a mean ure of logical strategy. Its advantages in a limited discussion are obvious.

What charges, then, does Mr. Ball on this point make against the Administration?

In charges, first, that the Brooklyn Navy Yard is under the tolerant eya of the Secretary of the Navy awarming with outrageous abuses; secondly, that the Secretary of the Navy committed an act of warmented and llegal favortism in the awarding of a specific contract for the supply of live-oak; the projection of alave property in the state of the supply of live-oak; the project of alave property in the supplied and of the project of alave property in the supplied and of the project of the projec

The Cincinnati Observer and Lancet, edited b

43 House, F. C. Leville, a member of the Louisiana House of the armentatives from Naw Orleans who Approved Juce 10, 1859.

louse of Representatives from Naw Orleans, who was one of the authorers by the terrible explosion of the steamer Princess, neer Baton Rouge in February

We might have filled our columns for severe days with accounts of damages to the crops by the recent cold spall, but all of them were indefinite and nere guess work. They were generally exagger sted, for we see already paragraphs is many of the Ohio, Indiana, and other papers saying that the is-

jury is not as serious as was at first anticipated. Compalding & Rogars' Floating Palace reached here last evening and there was a crowded andience is attendance to see the circus performance. There will be an axhibition at 2 o'clock this afternoon as well as at night. Every arrangement for comfart and convenience has been made on board the palace, and the company is one of unusual excellence.

The Mayslick Stock Sale Association is now on a permanent footing. The third sale, embracing horses, cattle, mules, and sheep, took place on Sat-urday, June 4, and was a decided succeea, the aucneer's reports footing up the day's rules at twelve bousand dollars. Besides the stock disposed of, twelve respers and mowers of different kinds were sold, amounting in the aggregate to \$16,000. Sevaral slaves were sold at high prices. The next mosthly sale will be on Saturday, July 2.

STRUCK BY LIGHTNING .- We learn from the New Albany Ledger that at eight o'clock on Wednesday morning a young lady named Miss Eunice Cooper daughter of Mrs. Matilda Cooper, living in Clark county, Ind., about ten miles from that city, to the right of the New Albany and Salem Railroad, was struck bp lightning and lastantly killed. At the time of the fatal stroke Miss Cooper was in a field bout a hundred yards from her mother's house. he lightning struck her in the forehead and followed the left side into the ground. Her bonnet and othing were torn into shreds, and a handkere stantaneously. Miss Cooper was about twenty e ara of age and the idollzed daughter of a widowe mother. The event has cast a gloom aver the entire

COUNTERFEIT, - The Montgomery Mail says: Wa learn that there are counterfeit bills on the Northern Bank of Alabama in circulation. Wa have g at 8 a clock. In the morning he will preach not heard further particulars, but would cantion the distory of the "dying thief," as teaching public to look out for them.

There will be preachlog in the grove at the corner of Elevanth and Jefferson streets, at 4% o'--morrow evening.
